

3RD KAAPS

SYMPOSIUM

15TH & 16TH AUGUST 2024

We invite academic presentations (posters, papers, panel discussions) and creative works and performances in a forum that aims to bring to gather developing and cutting-edge research and work that would benefit the science of Kaaps and support the social and academic literacy practices of Kaaps speakers, and full participation in the education, and religious, cultural, political and economic participation of our rainbow, non-racial society. The purpose of this symposium is to bring together emerging and senior researchers (including MA/PhD postgraduate students), artists and creatives to present research from the perspective of the following sub-themes:

- History of Kaaps
- Kaaps and culture (including popular culture)
- Kaaps and identity
- Kaaps and religion
- Kaaps and music
- Kaaps and food
- Kaaps and gender
- Kaaps and multilingual literature
- Kaaps in schools
- Kaaps in higher education
- Kaaps and orthography development
- Kaaps and lexicography
- Kaaps and standardization
- General Linguistics of Kaaps (morphology, syntax, semantics, phonology, etc)
- Kaaps and Dutch
- Kaaps and Khoi Afrikaans
- Kaaps and Gariep Afrikaans
- Kaaps as Afrikaans
- Kaaps and Afrikaans
- Kaaps and English
- Kaaps and isiXhosa
- Kaaps and isiZulu
- Kaaps as a language
- Kaaps and politics
